Leisure time program

Scuola Leonardo da Vinci and Accademia Italiana present the possibility of learning the Italian language in the South of Italy with an intensive program on the beautiful Cilento Coast.

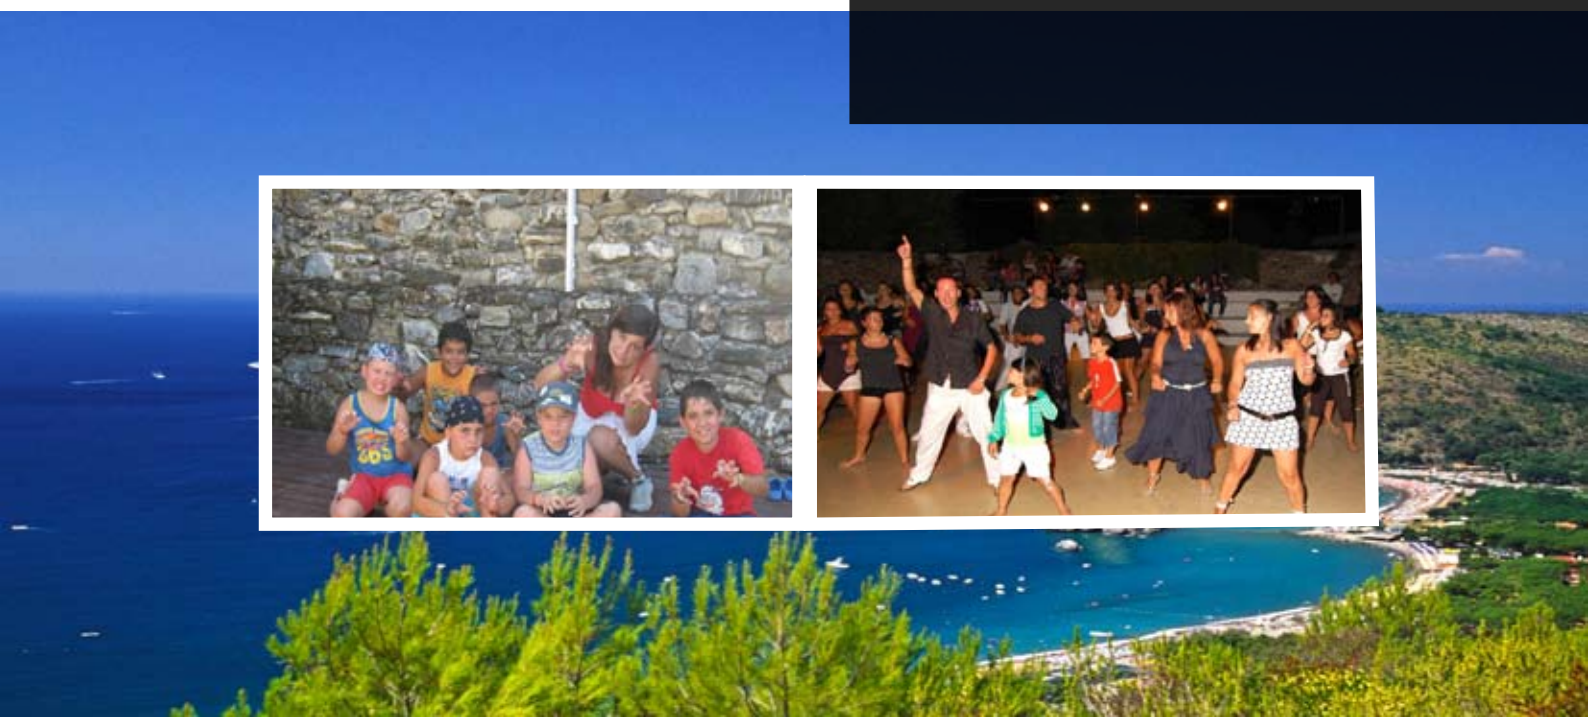

Students aged 11 to 16 can combine Italian study with a holiday in a popular holiday resort on the Coast.

By attending this program they will experience the History, Art, Music, Ceramics, Theater, Cooking and enjoy the beautiful beaches and landscapes in Cilento, in a traditional and real-life setting

The International Summer Camp is based on a two-week program, and perfectly suits the needs of young people wishing to experience a full immersion in a new language and to spend an unforgettable holiday where they will learn not only to communicate, but also to be part of today's international world in a healthy, funny and positive way, building up confidence, self-esteem and new friendship relationships that will last forever.

Students can choose to learn the Italian language with 20 lessons per week. Professional teachers will assist them during the course. After the morning lessons they will enjoy sport activities in the afternoon and then, amazing social programs in the evening that will lead them to dream of their next day summer adventure.

The Elea resort is on the beach, in Marina di Ascea, along a stretch of beautiful coastline that extends from Paestum to Palinuro in the heart of the splendid nature of Parco Nazionale del Cilento.

The climate is good, hot and dry, with frequent breezes which make the summer always pleasant in the shade of the Elea olive trees.

The surroundings are filled with myths, art and archeology which add to an areas already overflowing with a luxuriant uncontaminated nature.
