APPARTAMENTO ITALIA

It's like studying Italian in your own home!!!
Intensive Courses in Apartments in Umbria

*TLC Full Immersion programs are also being offered in independent apartments.
A wide range of accommodation is available in the elegant surroundings of Todi's historical centre or in the green countryside of Umbria.
All the benefits of Full Immersion with a 25% saving and a Welcome Card for discounts on purchases made in town.*

Concept of Full Immersion

The Full Immersion program guarantees continual contact with **native-speaker teachers** in the welcoming atmosphere of sitting rooms, patisseries, while walking in the great outdoors and even during relaxation breaks. Everything is done in the language you are learning!!! We aim to help you improve your everyday conversation skills and broaden your range of useful expressions while deepening your knowledge of the language in the specific fields that interest you.

Our Selected Apartments

Accommodation is offered in Todi and surroundings, in apartments that have been carefully chosen according to their location, comfort and space. These factors make the course ideal for relaxation, mental and physical recuperation, and concentration.

Teaching

All our teachers are qualified native speakers with experience in teaching languages. Their specialisation in different areas means they can help increase your vocabulary in specific professional sectors such as marketing, finance, business, law and medicine.

T.U.L.P.A. Certification & Quality

The Language Center has implemented its own exclusive system of certification called T.U.L.P.A. (Todi Universal Language Proficiency Assessment), introduced in 2001 to assess language progress for learners of English and later extended in 2002 to other languages such as Italian, French, German and Spanish. Since the introduction of our TULPA system of assessment we have been able to monitor carefully all our intensive and extensive programmes and therefore gauge the language progress achieved individually by each course participant. Through clear and reliable parameters of assessment we keep track of the duration and bulk course hours, number of participants, teaching environment, detailed data through our registration procedures (registration form and test) and so forth.

Included in the Course

Accommodation in an independent apartment, Teaching, Coffee Break and Tea Break (in a pre-arranged café), Entry Test, Personalised TLC Folder with pen and notepad, Course Book, In-house Teaching Folder, TULPA Service and Materials, TULPA Certificate, Feedback and Welcome Card for purchases in town.

Prices and Conditions

The charges for the Appartamento Italia program are contained in the Appartamento Italia price list valid for the relevant year. Payment should be made in advance.

Procedure

Contact us to let us know the options you require and wait for a detailed confirmation which will allow you to enrol.

TODI – La Lingua La Vita

CORSO ITALIA

Italian Language Residential Intensive Courses

Why in Umbria?

In the splendid scenario of relaxing nature, we transform the need to learn a language into everyday pleasure.

We aim to help you improve your everyday conversation skills and broaden your range of useful expressions while deepening your knowledge of the language in the specific fields that interest you.

Where?

Your choice of places to stay includes some of the most beautiful historical properties in the region: castles, fourteenth century mills, ancient monasteries, Liberty villas, aristocratic residences and delightful country houses. Our properties are spread throughout Umbria, close to Assisi, Perugia, Todi, Orvieto and Lake Trasimeno.

Teaching

All our teachers are qualified native speakers with experience in teaching languages. Their specialisations in different areas means they can help increase your vocabulary in specific professional sectors such as marketing, finance, business, law and medicine.

Design your Program!

ALL OF OUR INTENSIVE PROGRAMMES ARE ENTIRELY MADE TO MEASURE, FLEXIBLE AND AIMED AT STUDENT INTERESTS. THE CONTENTS, THE PROGRAMME AND THE TEACHING PROCEDURES WILL BE DEFINED FOLLOWING A PROPAEDEUTIC ANALYSIS OF STUDENT DEMANDS, THEREFORE SHAPED DAY AFTER DAY ACCORDING TO CONSTANT PROGRESS ACHIEVED DURING THE COURSE.

Language and Work

'Made to measure' business for every company: no particular text; lessons aimed at students professional requirements; a study of authentic company material; an analysis of cultural differences throughout the world of international business; the commercial habits of foreign countries; commercial correspondence by fax, telephone, e-mail; welcome and assistance to foreign commercial partners

Surf Internet: learn and acquire an in-depth knowledge of the language by travelling through the web, dedicated every day to different worlds and languages (banks, insurance companies, stock exchanges, fitness, sports, trips). A way of becoming familiar with Internet and getting to know various areas of a language

Legal Language: letters with a legal content; translation of legal documents; conversation using specific terminology; preparation of contracts; simulation of processes and legal procedures; extra-judicial assistance; analysis of the difference between Italian, community and international law

Medical Language: a meeting with a foreign patient (his history, analysis of symptoms, formulation of a diagnosis, use of pharmaceutical products); first visit (analysis of symptoms, medical treatment, surgical treatment); simulation of congress intervention

Colour your Mind!

T.U.L.P.A. Certification & Quality

The Language Center has implemented its own exclusive system of certification called T.U.L.P.A. (Todi Universal Language Proficiency Assessment), introduced in 2001 to assess language progress for learners of English and later extended in 2002 to other languages such as Italian, French, German and Spanish. Since the introduction of our TULPA system of assessment we have been able to monitor carefully all our intensive and extensive programmes and therefore gauge the language progress achieved individually by each course participant. Through clear and reliable parameters of assessment we keep track of the duration and bulk course hours, number of participants, teaching environment, detailed data through our registration procedures (registration form and test) and so forth.
