

Learn Italian, Go Green, Visit Le Marche

GREENITALIAN BY BIKE

Experience Duration: 3 hours (4.30- 7.30 p.m.)

Dates: from April till October

A unique experience to discover the beauties of Le Marche coast through an easy and fascinating bike ride. A chance to cycle along the beachfront of the "Palm Riviera" and to practice the Italian language lulled by the sound of the Adriatic sea.

Programme

A bike ride along the scenic seafront of 10 kms, going from Cupra Marittima to San Benedetto del Tronto by way of Grottammare, affordable for everyone, even with children. Along the trail you can admire several sites of interest, where you make stops to enjoy nature and the sea. The longest stops are made at the panoramic terrace of Grottammare (near the Tesino River) for a brief Italian language and culture lesson about the sea and its traditions and for visiting the port and the pier of San Benedetto del Tronto. After the visit, you can taste a fish aperitif at one of the kiosks by the sea.

Schedule may vary depending on weather conditions.
