

Learn Italian, Go Green, Visit Le Marche

GREENITALIAN FISHING EXPERIENCE

Experience Duration: half day

Dates: from May till October (upon reservation)

Minimum number of participants: 4

This is a unique experience, you will sail and fish with local fishermen from the sea town of San Benedetto del Tronto and see the withdrawn of their fishing nets, watching the coastline from the sea, seeing dolphins and seagulls, admiring the sunsets and have the chance to eat fresh, healthy, local fish directly on the boat. An eco-friendly experience born with the desire to combine the discovery of the territory with the practice of Italian language, you can practise Italian during this beautiful and fascinating fishing tour with the teacher and with the local fishermen who will charm you with their exciting stories. This experience is ideal for sea and fish lovers and for all those who love meeting new people and rediscovering the rhythms of nature and of traditional job.

Programme:

- Meeting at the port of **San Benedetto del Tronto** and brief explanation of the experience
- Fishing tour and explanation of fishing techniques
- Introduction to the Italian language about sea, fishing tourism etc.
- Lunch with fresh fish on board

This activity is organized in collaboration with a Fishing Tourism company.

Dates and schedule may vary depending on weather conditions.
